

General Statement

Cognitio Ltd fully respects your right to privacy. Cognitio Ltd, is responsible for the operation of the partnership of Global Blockchain Creative and is the host of our buyers. The Host fully respects your right to privacy.

It will not collect or publish any personal information about you through its homepage or homepages related to its activity without clear permission. Any personal information which you volunteer to the host will be treated with the highest security and confidentiality, strictly in accordance to the latest data protection acts.

Personal information – collection and use

The data which identifies you or can be used to identify or contact you may include your name, address, email address, IP address in circumstances where they have not been deleted, clipped or anonymized, telephone number. Such kind of information is only collected from you if you voluntary submit it to us.

We will process any Personal Data you provide to us for the following purposes:

- To send you our newsletter
- To send you news or announcements
- To communicate with you about Cognitio's services

Collection and use of technical information

The web page of Global Blockchain Creative uses temporary "session" cookies which enable a visitor's web browser to remember which pages on this website have already been visited. No other information is stored in the cookie. Visitors can use this website with no loss of functionality if cookies are disabled for the web browser. Technical details in connection with visits to this website are logged by our internet service provider for our statistical purposes. No information is collected that could be used by us to personally identify website visitors. The technical details logged are confined to the following items:

- the IP address of the visitor's web server
- the top-level domain name used (for example .ie, .com, .org, .net)
- the previous website address from which the visitor reached us, including any search terms used
- Google analytics which shows the traffic of visitors around this web site (for example pages accessed and documents downloaded)
- The type of web browser and operating system used by the website visitor.

Cognitio in name of the all activities lead by Global Blockchain will make no attempt to identify individual visitors, or to associate the technical details listed above with any individual. It is the policy of the Host never to disclose such technical information in respect of individual website visitors to any third party (apart from our internet service provider, which records such data on our behalf and which is bound by confidentiality provisions in this regard), unless obliged to disclose such information by law. The technical information will be used only by Global Blockchain Creative, and only for statistical and other administrative purposes.

Complaints about data processed via the website

If you are concerned about how personal data is processed via this website, please do not hesitate to bring such concerns to Cognitio, the Co-owner of Global Blockchain Creative in Iceland by contacting rosbjorg@cognitio.is

Security

Your personal data is held on secure servers hosted by Mailchimp and /or Wix. The nature of the internet is such that we cannot guarantee or warrant the security of any information you transmit to us via the Internet. No data transmission over the Internet can be guaranteed to be 100% secure. However we, will take all reasonable steps (including appropriate technical and organizational measures) to protect your personal data.

Updating, Verifying and Deleting Personal Data

You also have a right to have your personal data corrected, if inaccurate, or in certain circumstances, erased. Please forward any such request by email to rosbjorg@cognitio.is

Right of Access to your Personal Data

To find out what personal data we hold on you or to have your personal data updated, amended or removed from our database, please email rosbjorg@cognitio.is .
